

# SANDUSKY SAILING CLUB

PO BOX 814 • SANDUSKY, OHIO 44871-0814 • [www.sanduskysailingclub.com](http://www.sanduskysailingclub.com)

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

### Commodore's Comments..... Comm. Mark Gross

*The bay is warming up (slowly!)* and it's time to prepare the club for spring. Wednesday night racing will be here before we know it and I know the cruising fleet has some great sailaways planned for the summer. I'm looking forward to another great season!

**Spring workday and general meeting** - On Saturday, April 21, the general meeting will begin at 9:00am and breakfast will be served. Immediately following the meeting, we'll get going with various projects around the club. Lunch will be served after the work is complete. If you cannot make workday, please contact VC John Schwartz or Club Manager Tim Kyle and they will be able to suggest some tasks you can complete as your schedule permits.

**SSC dues and dockage** - A big thank you to those members who have paid their 2018 dues and dockage. For those who have not done so, please pay ASAP, as they were due March 1.

Timely payments save quite a bit of administrative time for the club. Tim will be mailing new membership and gate cards soon. Since the gate is locked at this time, be sure to keep your cards from last year until your new cards arrive.

**Membership** - PC Steve France has taken the Membership Committee and run with it. He has several initiatives in the works and I know he will appreciate your efforts to help grow our club. Be on the lookout for opportunities to present the benefits of club membership to your friends and acquaintances.

**The passing of Marilyn Koby** - Marilyn passed away on March 10 after a brief illness. Marilyn was the widow of PC Gene Koby and we remember her with fondness. She and Gene did much for our club over the years. Our condolences go out to the Koby family.

**Sadler Sailing Basin** - We're only about a month away from seeing boats back in the sailing basin. Tim is managing repairs and upgrades to our marina that will make it a safer and more comfortable place to dock our boats.

**I-LYA Spring Meeting** - Mark your calendars for the 2018 I-LYA Spring Meeting, April 6-7 at the Holiday Inn French Quarter, Perrysburg, Ohio. The meeting will include symposia topics and a great opportunity to chat with fellow sailors. For more information visit [www.i-lya.com](http://www.i-lya.com).

**2018 regattas** - 2018 will be a great year for competitive sailing at SSC! Jay Austin and the Regatta Committee have been successful in their efforts and SSC has been awarded as the host club for some excellent regattas this season. They are also working on organizing a new regatta for our club as a part of the Sandusky Bicentennial Celebration. Be on the lookout for email blasts and **Cross Bearings** articles giving details and looking for help. Let's make sure we uphold the SSC's reputation for hosting the best regattas in the country!

**If you have any concerns** or there is anything that you believe will make our club better, please don't hesitate to contact me at [mgross@grosslaw.net](mailto:mgross@grosslaw.net) or 419-357-6747. You may also contact any other member of the Bridge or Board.

### Sailing Vice .....VC John Schwartz

I don't know about anyone else, but I'm definitely ready for sailing season! I'm getting ready to get the boats out of the barn -- probably the Interlake first. I'm planning on selling the Lyman (see classifieds if you're interested). My Interlake is #473, so it's an early fiberglass boat with floorboards and no core. I've got a punky piece of wood next to my starboard bailer that I'm eager to fix. I also want to add more flotation. I didn't dump last summer, but I'm a little worried that if I did, the boat wouldn't float high enough to bail. I'm not doing anything with sails this year. I wanted a new spinnaker, but tires somehow seemed more necessary -- and it's not the boat's sails keeping me at the back of the fleet yet.

**The yearbook** is the big priority right now for me. If you have an advertisement, information, and/or pictures that you'd like to get in this year's yearbook -- email me at [john@firelandslocal.com](mailto:john@firelandslocal.com). If you have questions, you can call or text me at 419-706-5137. The deadline for artwork is Friday, April 2. The payment deadline is Sunday, April 15.

**Survey** - I will be sending a second Long Range Planning survey with more specific questions based on the responses from the first survey. These will be multiple choice answers, so quicker and less annoying to work through. I know that the last one was tough because I asked questions in a long-answer format. This next one will be way more quantitative. Thanks for your help with this process.

**Spring workday is Saturday, April 21.** I'll have bagels, coffee and other food there at 8am. The general meeting is at 9am with the club and SJRT workday to follow. The club will provide lunch as soon as work is done -- and the bar will be open at some point.

**Look forward to seeing you at the club.** Keep the ideas coming either by email at [john@firelandslocal.com](mailto:john@firelandslocal.com) or by voice/text at 419-706-5137.

## **The View from the Rear .....RC Matt Bedee**

**The SSC Wine Tasting** was well attended and we definitely enjoy our wine at SSC. Thank you for all who attended and purchased a "few" bottles of wine to take home. Also, thank you to those who supported SJSI/SJRT by bidding on gift baskets donated by Cindy Brink and sail bags donated to SJSI/SJRT by Sea Bags. I would like to thank VC John Schwartz and my wife, Deanna, for helping get the food ready, Jerry Erwin for once again providing a great wine variety for us to enjoy, along with Tim for tending bar and selling additional bottles of wine to thirsty members.

**St. Patty's Day Party** was a huge success again this year and I don't think anyone went home hungry after the spread that Jay and Beth Austin, along with their team, prepared. I have heard a lot of great things from the party, though I was unable to attend due to a sick daughter. With that in mind, there are a lot of members that can't make it to SSC events and we want to share more pictures of the parties. Jay did a nice job of posting on Facebook and we want to start doing more with that for events and regattas.

**The March Friday Forum** was a success and we had a great turnout with a mix of members and attendees from the Marine Surveyors that rented the club on Friday and Saturday. Thank you to everyone that attended and also to Georgann and Mike Wachter for presenting *Shipwrecks of Lake Erie: Fire, Storm, Collision*. We may have another Friday Forum with them this summer, so look for updates in future **Cross Bearings**.

**US Sailing One Day Race Management Seminar** will be on Saturday, April 14. Read Jay Austin's article in **For the Good of the Order** or visit the SSC Event Calendar for more information and email blasts for a link to register.

**Boat Work Recuperation** will be on April 14 from 6-9pm and will work in conjunction with Race Management Seminar. It is a light social event with food, drinks, and socializing at the club. If you don't attend the Race Management because you

spent the day prepping your boat, SSC has the cure for that, a drink from Dairy Bar and food from the galley.

**The April Friday Forum** will be on April 20 from 7-9pm and will be SSC member David Smith presenting on his sailing trip on Penobscot Bay in Maine. This is also the night before the Spring Workday and General Meeting. Dinner is to be determined. I will convince a lucky sailor, by way of a 6-pack of beer, to cover galley duties that night. Look for an email blast that has the particulars of the dinner plans.

**The Weekend of May 18-20** will be a busy one at SSC.

The May Friday Forum on May 18 from 7-9pm will be presented by SSC member Jay Austin and will discuss the Race Committee jobs and Racing Rules of the Road.

The Big Steak Out/Open House Event that PC Steve France will be hosting on May 19. Look for more information in this **Cross Bearings** from PC Steve.

Adaptive Adventures/SJSI Fundraiser will be hosted by Larry Knauer and will be on May 20 from 1-4pm at SSC. Look for more information from Larry in this **Cross Bearings**.

Thank you in advance to Jay, Steve, and Larry for starting summer out with a bang on busy weekend at SSC. Look for email blasts for all three events with more information.

**Friday Forums** will be scheduled through the summer and fall as schedules allow with summer activities. I am going to be asking several of last year presenters if they will do them again this during the summer to allow anyone who missed them last spring. If you have ideas for Friday Forums, please contact me. There also may be potlucks also throughout the year.

**SSC Event Calendar** will be kept up to date more than in the past and will be a resource the club will use more for planning events. Please bookmark the Club Calendar in your browser to allow you to access it quickly from your computer or mobile device.

**Galley Thoughts** - As the season begins, the clubhouse goes from occasional use to near constant usage. A couple things to keep in mind this summer:

We need to keep in mind that members' food can't be placed in the fridge or the freezer. I will be throwing away any member food that is left in the fridge or freezer.

Also, if you are prepping food for an SSC event, blue nitrile gloves are in the center drawer of the island. They are cheap, so don't be shy to use them.

**Sandusky2018** - 2018 is Sandusky's Bicentennial year and there will be events throughout the year. More information can be found at [www.sandusky2018.com](http://www.sandusky2018.com). The Festival of Sail will be July 12-15 and will include the Tall Ships returning to Sandusky again this year. Adaptive Adventures, part of SJSI, will host a dinner cruise, so watch for more information to come.

Sandusky Sailing Club has been around for a significant portion of Sandusky's 200 year history when you think about it, we have been around since 1932.

**Contact me** -- Please feel free to contact me at [matt.bedee@theaustin.com](mailto:matt.bedee@theaustin.com) or 419-202-0044.

## Operations ..... Tim Kyle

*New gate cards (BLUE)* will be in the mail soon. Please do not throw the old (GREEN) card away until you confirm that the new card readers are installed. They are scheduled to be installed at Spring Workday.

*Dock boards and risers are maintained by the club*, but horizontal batter boards and other custom improvements are the responsibility of each berth holder. If you plan any improvements or custom “tweaks” to your dock this year, please come down early and inspect your dock for any repairs that need to be made (dock boards or loose risers) and report them to me ASAP. This winter has been hard on the docks and every effort will be made to make necessary repairs in a timely manner.

*We have several 26- and 30-foot docks available* at this time. It would be a great time to invite a sailing friend to join or to request reassignment if there is something available that would be more desirable to you. Contact me for availability.

*The next scheduled Sadler Basin Committee meeting* is Monday, May 7 at 7:00pm.

*Feel free to contact me* with concerns about the marina or clubhouse, at [manager@sanduskysailingclub.com](mailto:manager@sanduskysailingclub.com) or call 419-656-5881.

## From the Treasury .....Bernie Ashyk/Dave Brink

*Dues are due on April 1st. No fooling!* If you have not sent yours in, please do. If you are unsure of the amounts, please contact PC Wendy Kaufman at [willowwalkers@aol.com](mailto:willowwalkers@aol.com).

For those who have paid, thank you very much and a special thanks to all those who have generously supported all the various funds. The club counts on your donations to make things happen throughout the year. One good example is the Committee Boat Replacement Fund. Stay tuned on this topic as you will soon see the fruits of your contributions.

## Learn to Sail.... Mic Kaufman / Suzanne Hartley

*Midwestern Symposium* - On March 11, Suzanne, Mic, Mike Zuilhof and TJ Wright attended the Midwestern Symposium at The Foundry in Cleveland. Resources and program ideas were shared by the group. New contacts were made and old ones reinforced.

*Spring break camp* - Mic and Suzanne will be working with Larry Knauer at the Sandusky High School spring break camp. An Opti will be taken to the school as well as the Sailing Simulator. Information on the Learn to Sail program will be distributed to the schools this month.

*Sailboat charters* - Learn to Sail has formulated a plan for chartering sail boats from its selection. This plan has been approved by the SSC board.

*Start Sailing seminars* will start the first Thursday in April at the Sailing Club. Contact Skip Oliver 419-625-8654 or [soliver@heidelberg.edu](mailto:soliver@heidelberg.edu). These are informational seminars for adults who want to learn to sail or sail better.

*Registration for Jr. Learn to Sail is OPEN!* Go to [www.sanduskysailingclub.com/lts-youth-program](http://www.sanduskysailingclub.com/lts-youth-program)

*Sandusky Junior Sailors is a nonprofit* and the program relies on donations to keep sailing affordable to those who want to give it a try.

## Race Management..... Jay Austin

*SSC is hosting a USSailing One Day Race Management Seminar* on Saturday, April 14. The cost is \$40 to register which will include a light breakfast, Cameo Pizza for lunch, course materials, and certification test. Anyone interested in joining the Race Committee or helping out with weekend regattas is more than welcome to attend. All registration must be done online and no walk-ins will be accepted. Follow the link to our registration site.

Note: you must be a current USSailing member or pay an additional \$10 fee. Please contact Jay Austin with any questions or concerns 330-351-0283

<http://www1.ussailing.org/enrollment/selectregistrant.aspx?courseid=13452000>

## Race Governing ..... Terry Parker

*The 2018 racing and event schedule is ready!* It is included with this issue and will also be posted on the SSC website ([www.SanduskySailingClub.com](http://www.SanduskySailingClub.com)).

The Sunday/Funday series of 8 races for PHRF/JAM sailors is included again this year, with starting time at 0900 hours on the scheduled days.

Also noteworthy is that, in addition to the traditional races series on Wednesday evenings and Sunday mornings, SSC will host the Lightning Class Districts June 23-24, and the Great Lakes J/24 Championship Sept. 8-9. We are also providing Race Committee and Registration for the Sandusky Bicentennial Regatta July 21. Along with our annual One-Design Regatta (June 9-10) and SJRT Junior Regatta (moved to July 28 this year), the above events promise lots of sailing and an exciting season of racing.

Thanks to our Regatta Chair, Jay Austin for his efforts to bring new events (and money) into SSC. And thanks to Race Governing Committee for getting this schedule finalized in a timely manner.

**IMPORTANT:** This schedule also creates opportunities for volunteers to serve. The primary purpose of SSC's founders was to promote sailboat racing. One of the ways costs are kept reasonable is the presence of volunteers to help with registration, publicity, hospitality, and tactical support (Race Committee). For those things, we count on YOU, and we thank you. Your help WILL be needed! To pitch in for any of these events, please contact Comm. Mark, a Regatta Chair, Jay Austin, or Jim Keane (RC). Thanks!

## Race Committee Boats ..... Terry Parker

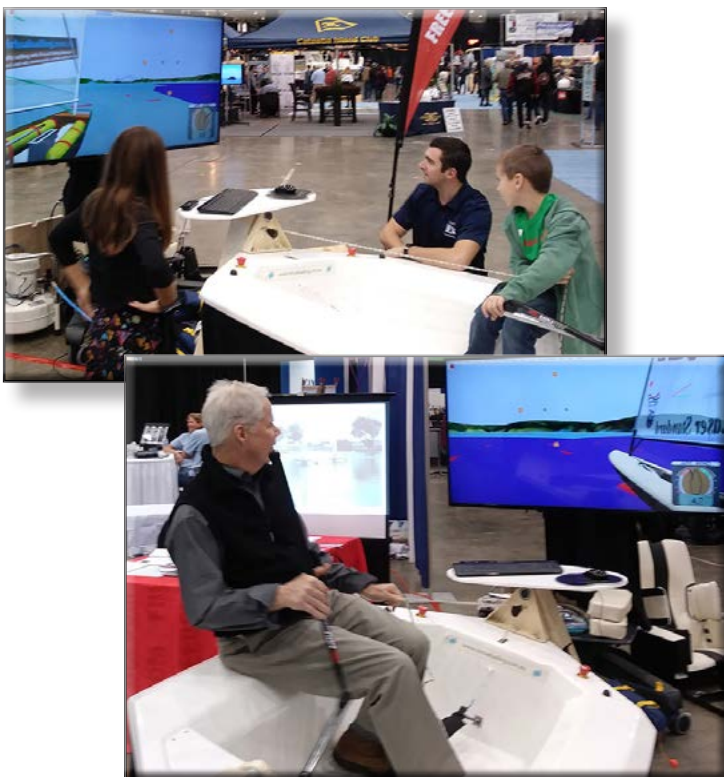

Comm. Mark has resurrected what used to be called the Towboat Committee. Re-christened as the RC Boat Committee, its members currently are Trustees Ryan Kyle and Andy Davis, along with Phil Spicer and myself as chair. We have been tasked with overseeing the maintenance, commissioning, and operation of the committee boats. Our aging fleet needs some TLC in places, and significant repair/replacement in others. We have organized a list of tasks and are working toward launch soon after workday.

Escorts I and III have been moved from Deep Water for bottom blasting and barrier coating.

Escort II suffered significant mechanical issues last summer, some of which remain unresolved. After lengthy discussion, the committee recommended, and the Board approved at the March meeting, to replace Escort II. We are currently in the process of purchasing a 1996 Grady-White 24', contingent on survey and sea trial. It should be prepared and ready for the start of racing season. Money for this came from the Race Committee Boat Fund, accrued over the years from Board set-asides, donations, and investment income - not from club operating funds or dues. The Board will determine the disposition of Escort II in the near future.

## For the Good of the Order

**Save the date** – Calling all riverboat gamblers and scallywags. On May 20 we will have a fun night of games of skill and chance at the fundraiser benefitting SJSI, Junior Race Team and Adaptive Adventures. The Sandusky K of C are graciously loaning us their casino night gaming tables. Plus, we will have the Sailing Simulator for you to compete in the Simulator Regatta with a 50/50 winner take all. There will be a limited number of tickets to compete in the Simulator Regatta. They'll go fast, so watch your email and club notices.

General admission will be limited by the maximum number of people allowed in the clubhouse at one time. So get your tickets as soon as they go on sale.

General admission tickets as well as Simulator Regatta tickets will include all the pizza you can eat (made by Matt Bedee and crew) as well as your first stack of poker chips. Additional chips will be available at a price for the less fortunate who wish to keep on playing.

The Simulator Regatta will include one practice race followed by one race for the gold. At the end of the night the top few will get a chance to purchase another race in hopes to become the first annual Simulator Regatta Champion.

You will be able to cash in your chips at the end of the night by bidding on auction items donated for the event. Start practicing your skills.

**SSC Members** - We need your help to move our new member development program forward. One simple but important thing you can do now is to send me the name and email address of one (or more) friends or acquaintances you know who we can invite to our OPEN HOUSE scheduled from 9am to 2pm, Saturday, May 19. We plan to have several sailboats available to take attendees out for a quick sail (weather permitting) and show them around our club. We may even be able to have the Sailing Simulator that Larry Knauer arranged to have at the Cleveland Boat Show. This simulator was a big hit at the show. More on this possibility later. Name and email address: That's all we need to send out an email promotion inviting prospects to our open house. We'll do the rest and will keep track of your invites in the event they lead to a new membership. Thanks in advance for your help with this important initiative. Regards, Steve France, [stevefrance@ameritech.net](mailto:stevefrance@ameritech.net)

**Member Get-A-Member Opportunity** - As announced at our banquet in November, this program has been improved. First new member earns you \$100, the second earns \$150 and the third and any successive new members earn \$200. We have a terrific opportunity to make it even easier for you to bring in new members - our open house scheduled from 9:00am-2:00pm, Saturday, May 19. The club will offer sailboat rides, tours of our facilities and lots of sailboats for non-members to look at. The big draw will be the electronic Sailing Simulator that Adaptive Adventures and SJSI showcased at the Mid-America Boat Show in Cleveland. It was a popular attraction and a big draw. We need your help to get your friends and acquaintances to the open house so they can experience this simulator. We'll keep track of all your invites in the event any become new members.

**Call for carpet** - A reminder that old carpet (minimum 12'x6') can be dropped off on the Junior barn porch. Need it for workday.

**SSC online calendar** - Tim has been making a concerted effort to keep the SSC online calendar current, making it a more useful tool when you're trying to find out what's going on at your club.

Go to [www.SanduskySailingClub.com](http://www.SanduskySailingClub.com), then to "Communities," then to "Events Calendar." Click on the event to get more info, contacts, links, as well as any fliers available.

Skippers, share this calendar with your crew so they know when events are happening at SSC.

**Sandusky Islands Race/Stein Hospice Cup** will be held June 30 with the prerace dinner Friday, June 29. Mark the dates.

**Steak Out/White Elephant/New Members Party** - The big sizzle off begins at 5:00pm on Saturday, May 19, when Tim rolls up the screens to the Dairy Bar and offers up taste tempting tropical treats originally created in an obscure bar from an island on the far side of the world first discovered by European voyagers in 1778. The club-provided, premium steaks will be expertly prepared to sizzling perfection because you will grill them yourself on the club's big outdoor grill. We provide all the right rubs, spices, herbs and sauces. Be sure to bring a side or dessert to share.

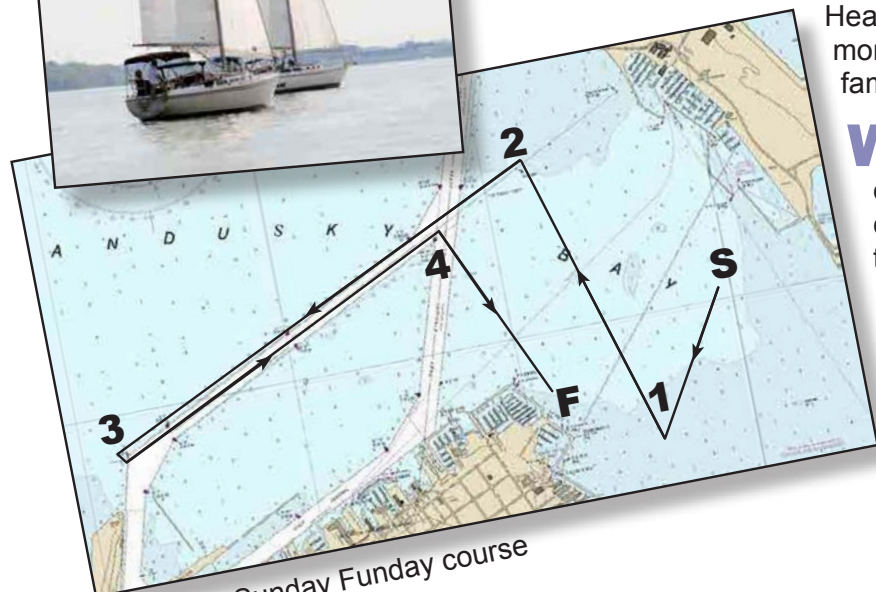

The Sandusky Sailing Club's

# Sunday Funday

**Come out on Sunday morning for the 2018 Sunday Funday Racing/Cruising Series.**

- Racers can sharpen their skills.
- Non-racers can test the waters to see if they would like to learn more about racing.
- Cruisers can go for a nice sail around the bay with their fellow SSC members.

Sample Sunday Funday course

**WHO:** All SSC members and friends

**WHAT:** A quick sail around Sandusky Bay in a competitive or non-competitive format.

**WHEN:** Sunday morning start at 9:00. See the SSC 2018 Sailing Schedule for dates. Finish within a couple hours (time limit enforced). Head to the SSC Dairy Bar for libations and more fun. Tim might even be making his famous Bloody Marys!

**WHERE:** Start in the Eastern end of the Bay. Sail an approximate 6 mile course around Sandusky Bay. Finish off the Sailing Club.

**WHY:** Because we have sailboats that need to be sailed.

**HOW:** Costs nothing. Just come out and sail! If you don't have a boat - hook up with someone who does.
