Mensajes del comodoro loco

..... Commodore Matt Bedee

HAVE FUN!!! We have had great weather, the water levels have been down, and sailing/boating has made a resurgence with the current pandemic. Enjoy time at the club and out on the water.

Membership packets should have been received in July. If you didn't, make sure your address is current in your profile. I have several packets that I will drop off on boats or if I see someone at the club. Any new members in July will get their packets in the next couple weeks as I am sending a batch to Loris Printing on Monday.

Friday Feeds are in full swing and the turnout shows everyone is ready to get out of the house and down to the club. We adhere to the regulations indicated by Gov. DeWine for Restaurant and Bar Establishments. Reminder that members will need to have a mask on while in the clubhouse and when outside if six feet of social distancing is not possible.

Thank you to everyone that has been helping out with bartending at the Dairy Bar.

Man's Best Friend is always welcome on the grounds at the club, but I wanted to remind members about the rules regarding pets at the club:

Pets are not allowed in the clubhouse, pets may be relieved in the grass areas where there are poop bag dispensers, and each member is responsible for their pet.

There is no rule at the club that pets have to be on leashes, but they are the responsibility of the member and must be kept under control if you choose not to have them on a leash.

If you have any concerns or there is anything you believe will make our club better, please don't hesitate to contact me at commodore@sanduskysailingclub.com or 419-202-0044.

You may also contact any other member of the SSC Board at SSCBoard@sanduskysailingclub.com.

El Vicio Comodoro ..VC Blutarski (AKA Andy Davis)

The Dairy Bar is open - That's right folks, come and have a beverage. We have an updated assortment of craft beers, and a wider selection of spirits. Better wine by the glass also. Wednesday, Friday and Saturday hours like last year, with Saturday having extended hours starting 3pm. Bookmark the club calendar for bar hours and to see who is bartending, which will be added to the calendar over the next month.

Bloody Mary Bar continues to be a success. Last weekend Bloodies consisted of deviled eggs with bacon supported by dry rub chicken wings. Of course, all Bloodies have a host of veggies and pickles to satisfy your breakfast desires.

Hear ye, hear ye...

The Sandusky Islands Race / Leukemia Cup is on for Aug. 29.

After careful consideration and a close review of the COVID-19 rules, we have decided to move forward with the Sandusky Islands Race/Leukemia Cup. There will be additional information forthcoming so keep your eyes open. Briefly, we will likely do pizzas on Friday night. On Saturday have an outdoor band along with a dinner choice. Obviously, there will be social distancing and we will be following the rules handed down by our governor. There are several reasons why we have decided to hold this race, including but not limited to:

Many folks have indicated they want to race, we believe we can support the request to race while being very mindful of safety, and it surely is a great cause. Again, if you would like to race, please plan accordingly and put it on your

calendar, and look for updates. Register at <https://www.leukemicup.org/events/sandusky-islands-race>.

Moving forward reminder of what we need to do to protect our club, our reputation, and our mission...Sailing.

I wanted to remind everyone of what we need to do moving forward to ensure we can continue to operate in a manner to support our mission as well as being safe. Please consider the points below as adhering to these simple rules will protect our ability to continue to provide a fun and opportunity rich club.

Moving forward, as per Ohio Liquor Control, the Dairy Bar will be open with last call at 10pm. Beverages (within the liquor premises) need to be finished by 11pm. Carryout beverages need to be purchased by 10pm and remain unopened within the liquor premises until taken outside the liquor premises for enjoyment.

Masks are required when moving about inside the clubhouse, and please be cognizant of the six feet separation requirement.

We will likely keep the Dairy Bar window inside the club closed to ensure we operate within the requests of the State and Liquor Control.

Outdoors, very similar. Masks are being requested when mingling around; when seated, obviously they can be removed to facilitate the consumption of the stellar beer selections we have, as well as cocktails and food.

Picnic tables will be moved out into the grass for larger events to ensure we adhere to six feet of separation, supplemented by other seating on the patio.

There is signage around the club reminding folks of these guidelines.

Folks, it is very important that we do our level best to ensure we do not risk our reputation and liquor license during this time, and given the fact my name is on the liquor license, I personally request everyone keep these rules in mind to protect our club. This will not last forever, and these simple things to do. Matt, I, Wes and all the board members, PC's and YOU, our members, have shared responsibility, and I thank you in advance for your support.

Reminder, keep your red key cards: We are using the 2019 key cards, so please keep the ones you have. We did receive new keys, so for those who have paid dues, there are additional keys now in our possession. As the gate has been repaired, please ensure you have your RED key card with you for access.

Brett Langoff takes a break from skippering the J/35, Major Detail, to first in class in the Port Huron to Mackinac Race ;:-)

Basin and Grounds Update:

Please be aware, the docks in the gravel dry storage will be taped off. Here is the deal: We are requesting that you not use or walk on those areas that are taped off. Sadler Basin Committee is working on a prompt solution for the repair needs, and until this is completed, walking on those docks is dangerous. We will keep everyone informed as to the solution. You may tie your boat along the wall adjacent to the ramp, but please remember to only tie to the 4x4 post.

Stefanie Williams - For those of you who do not know Stefanie, she cleans the club and you will see her from time to time throughout the summer (and for the winter folks, she is around in the winter also). Stefanie has been very flexible for us, trying to adjust her schedule to accommodate our social needs. Additionally, she has been concentrating on the bathrooms. I have been told many times over how much better the bathrooms are. **HATS OFF TO STEFANIE.**

That said, if you get a chance while at the club, and you see Stefanie, say hello, thank her for her impact on the club. She is a great lady who continues to modify her approach to support the club's needs.

Social Distancing and "Reopening of the Club" -

Over the past several weeks, it's clear that the club is a great place to be. We have seen a large number of folks and I am very grateful for that. Please continue to be mindful of those who are at a heightened risk from COVID-19. We have done a good job of embracing social distancing and for those who prefer to wear masks, by all means, wear a mask. I have asked Cinda to make me the mask I mentioned last month in the ***Cross Bearings***. She has not completed it yet, but it's coming. In times like these you have to be creative to ensure you can achieve all goals at once.

2020 has been a year with many challenges: Water leak, forecasted highest water in decades, new docks, COVID19, etc. I am happy to say that given all the change and challenge thus far this year, at the end of the day everyone who has been involved in driving progress has been wonderful. Thank you everyone, and I am sure I speak for Matt and Wes also, it does take a village, and I am glad my home address is SSC.

Please stay safe, and I look forward to seeing all of you in the near future.

Sadler Basin Committee PC Steve Jackson

The committee members and volunteers have been working on many maintenance projects.

Art Averell and PC Monty Kaufman have been spraying weeds, shoveling lake debris off the asphalt, and hanging dock ladders, to name a few of their accomplishments.

Dick Auge helped me, PC Steve Jackson, with temporary deck board replacements on “A” dock.

The weeds that had encroached on the milkweed plants were removed, so the monarch butterflies could lay their eggs.

Looking ahead to fall projects, we are considering removing and replacing all deck boards on “A” dock.

The Sadler Basin Committee can be contacted via email at SadlerBoard@sanduskysailingclub.com

Sandusky Junior Sailors, Inc Mic Kaufman / Suzanne Hartley

The Junior Barn has been rocking and a rolling!

We had six sessions of Learn to Sail and one session of Advanced Sailing. Sixty three sailors registered for the Learn to Sail programs.

Did we stop there? We did not! We took 47 youths for two-hour sessions on the Colgate 26, **Deal with the Devil**, and the multihull, **Kan Za**. Seven sessions were offered. They were so excited they wanted to form a sail group of their own!

Race team had seven participants practicing from 1-4 Mondays - Wednesdays. They trained and raced against each other in club regattas. They look forward to next season and racing with other sailors.

Learn to Sail and Community Sail were featured on **BCSN** and the **Sandusky Register**.

Some quotes from the Learn to Sail kids.

“I love sailing!” “I like capsizing”
“I like the way they work with us.” “They keep us safe.”

Remember, these wonderful programs keep going because of the financial support from you, the general membership. Please consider a donation to Sandusky Junior Sailors, Inc.

Please monitor the SSC website for updates.
