Message from the Commodore...Wes Blazer

I hope everyone is having a nice summer. In our travels with *Independence* we have seen other SSC boats everywhere we have gone. So, I know many of you are getting good use out of your boats.

I would like to thank the volunteers who have been cooking food for our Friday night feeds. The variety has been nice and it goes a long way in making the evening more enjoyable. **THANK YOU!** If you would like to volunteer at the dairy bar please contact Marcia Giordano.

During July we hosted the I-LYA Opti Championships.

It was well attended and the weather was nice. I would like to thank Michelle Gilboy for running an excellent event and Jay Austin for getting SSC selected as the venue.

Coming up on August 27th is the Sandusky Islands Race.

If you can be there, you should be there. It will be the biggest event of the summer at SSC. I look forward to it every summer as it's the first big boat race I ever did. I'll never forget that it blew 60. I think only three boats finished that year. There will

be a dinner and DJ Friday night. Then a pig roast dinner plus a band Saturday after the race. It should be a great time!

I hope to see lots of activity around the club and good luck around the buoys. If you have any questions regarding SSC operations, please feel free to ask. I can be reached at weatherlyboatworks@gmail.com

House and Grounds VC Hank Boissoneault

Sandusky Islands Race prep - This month we are getting the club ready for our main event of the summer. In terms of interior projects, this week we will be checking all lights and facilities to ready the club for the Sandusky Islands Race. PC Andy and Cinda Davis have planned two wonderful evenings of events. As a kid, it was the event I looked forward to the most. Back in the early days, the Islands Race used to be held during the July 4th weekend. I hope you embrace the idea of this being OUR event of the season and come down and enjoy the club. With a DJ Friday night, live music Saturday night and racing in the middle, it's sure to be an event to remember. Please come and enjoy the festivities.

In terms of grounds - Huron Marine continues to clean up the dock boards, while adding beater boards at the request of dockers. In addition, the high-water retaining wall is slowly being taken down and all the sand bags are disappearing. A huge THANK YOU to Art for cleaning the walls of all weeds and dirt trapped as the walls are being removed.

I would like to thank all the volunteers for the continued care of the club. From trash cans being emptied, to dispensers being filled, to towels being washed and returned, your efforts do not go unnoticed.

A few SSC sailboats head to the first mark during the PC Norm Winkel Great Sailboat Race at SYC.

As always, should you see an issue that needs attention, please let me know. We'll make every effort to get it corrected ASAP. I am always open for suggestions and hope to make the club a great experience for all. Call me at 419-357-1044 or email ViceCommodore@SanduskySailingClub.com. Thank you. VC Hank Boissoneault.

View from the Rear RC Jason Huffman

I would like to take a moment to thank everyone for the many successful events that were held in July. From Friday night feeds and running the Dairy Bar to the Area E regatta. Great job!

Moving into August, we are hoping to build on the success of the Islands Race from the last several years. PC Andy Davis is working hard to ensure a weekend of great food and music for all. If you would like to participate, please register now at Yacht Scoring. If you are not racing, please consider volunteering for Race Committee or in the Galley. We need everyone's help to make this year's event a success!

Sadler Basin Committee PC Jim Ziss

We have been busy this month making the club a better place.

PC Mike Fishbaugh and company have been busy repairing or replacing the boards on C dock. Also, replacing the vertical boards on A dock.

Also, he is working on installing fender boards where dock holders want them. And there are plans to remove the sand bags and the 2x12 wall around A and B dock.

PC Peter Grant is finalizing the proposals to repair the West wall.

If you see anything that needs attention at the basin, contact me at jimziss@gmail.com

Sandusky Junior Sailors, Inc...Suzanne Hartley/ Mic Kaufman / Michelle Gilboy

Drinkers take your mark...set...go!

SAVE THE DATE! The 5K Rum is on the books for the third year. It will take place on Saturday, October 8, from 11a-4p.

FLASH!, skippered by Cindy Brink, has a huge lead at the first mark of SYC's PC Norm Winkel Great Sailboat Race.

Stay tuned for more details. If you have a business and are interested in being a sponsor for this event, please contact Michelle Gilboy (michelle@sailsandusky.org) to discuss your options for sponsorship.

Learn to Sail - We had a full summer of YLTS this season. We concluded with Session 5 of Learn to Sail having an enrollment of 17 participants and Advanced Camp having an enrollment of eight.

Adaptive Sailing - This season we were able to host CLI and the LINK for a total of nine adaptive outings during July and early August. Images/testimonials were posted in their weekly newsletter. We look forward to hosting more sessions with them in the future.

Junior Race Team - The race team participated in Junior Bay. One laser and one 420 represented the team. Both the 420 sailors and the Laser sailor were new to racing their specific boats this year and did well in their fleets. Each boat finished mid-fleet for both classes and we were very proud of how well they did. They ended the season at Hoover July 30th.

Community Sailing - Three morning sessions of community sailing were offered in July. Each session is promoted through the city of Sandusky and is broken up into similar age groups (K-2nd, 3rd-5th and 6-8th grades).

Thank you to all who have supported SJSI with your donations of time and money. Donation letters have been sent out for your tax records. If you did not receive yours, contact Suzanne Hartley at suzanne@sailsandusky.org

Communications Committee.....PC Matt Bedee

Communication w/ Membership - If you want to have an event added to the calendar, information sent to the membership via email, or a message sent via Remind, please send to webmaster@sanduskysailingclub.com. This will get it to the right people to get it done. Sending it to one person will delay getting it posted or risk not getting it posted at all. Make sure to include what you want to be said, any graphics, etc. Those who get the email will copy exactly what your correspondence said to make the posts or Calendar Event, so make sure to spell check.

Remind - If you have not signed up to get messages via Remind, please text @sailsand to 81010 to get Remind Announcements. Remind is used to get last minute announcements out to members and currently we have about 170 users on Remind. You can download Remind for Android and Apple devices, then set up an account if don't have one.
