

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Message from Comm BlutarSKICommodore Andy Davis

Well, summer is here and it has been great to see the club in full swing again.

Area E Qualifier - As you are likely aware, Sandusky Sailing Club hosted the Area E Championships 7/1-2. What a great event! We had 22 420s on the starting line, as well as 20 Lasers. I want to put out a big thank you to EVERYONE who supported the effort, as it really was a great event. Many club members were actively involved in many capacities: Food support, race committee, bar support, chase boats, scoring, on the water judges, parking and dock support, etc. It was great to see 64 juniors around the club enjoying our superb venue.

Upcoming Events

Middle Bass Sailaway - The cruisers' turnout last Saturday was wonderful with a lot of interest in a sailaway to Middle Bass Island. The dates and the tentative itinerary are as follows:

- Sunday, July 11, departing SSC at 9:00am with a skipper's meeting at 8:00am. Enjoy the island. Bring an appetizer of your choice and favorite beverage(s) to share at a 4:00ish Islands Mixer. The exact location is yet to be determined.
- Monday, July 12, a trip to South Bass via the *Sonny S* or a dingy ride.
- Tuesday, July 13, depart Middle Bass Island.

- Go to www.sanduskysailingclub.com to download the event flier.

I-LYA Opti Championships - Planning is underway for the I-LYA Opti Championships on July 24. Volunteers will be needed for this event to help with launch and recovery, food service, registration, and safety boats.

Sandusky Islands Leukemia Cup Regatta - Aug. 27-28. I am pleased to invite you to join us for our 2021 Sandusky Islands Leukemia Cup Regatta, currently ranked #2 in the country. That's right, IN THE COUNTRY! (Obviously we will follow all safety and socially distanced protocols in place at the current time) SSC has again partnered with the Leukemia & Lymphoma Society for this event. Friday, Aug. 27, we will have boat registration, a fabulous dinner, and of course a welcoming party. Saturday, the race will start and finish at SSC. Following the race, there will be an "Islands" themed ROCK THE DOCK party featuring dinner and live entertainment. Please put it on your calendar, as it will be one of the signature events during the summer of 2021.

We are in the process of finalizing a list of volunteers needed, as this regatta is one of the most important annual races for SSC. Volunteers needed will likely include: Registration, support in docking assignments, dinner support Friday and Saturday, and general help around the club. We will be sending out specific needs, and I'm hopeful that folks will step forward to support this key event as a volunteer. Thanks in advance.

If you cannot support the effort by volunteering, you can donate at the Dairy Bar, or go to the Sandusky Sailing Club's Fundraising page.

AROUND THE HORN

I want to remind folks of some happenings and other things around the club that are important to having a great summer.

- **Ice cost is now \$2.00 per bag**, so please ensure you are providing the correct amount in the collection cans when getting ice. Ice costs the club approximately \$1.70 per bag, thus we had to increase the cost to you in order to cover the cost of that inventory. We are having issues with the ice chests again, BUT WE ARE ALL OVER IT. Thank you for your patience.

- **Grill update** - If you have not seen the new grill yet, check it out. This thing is fabulous and works like a professional grill (WAIT, it is a professional grill!). If you need lessons on how to operate, let us know and we would be happy to provide a quick lesson. I would also ask that

everyone please be conscious of keeping the grill clean for the next user, and remember to turn off the burners when done using it. (You can leave the pilot light lit if you wish.)

- **Dairy Bar update** - If you have not checked out the Dairy Bar selection of craft beers lately, you are missing out. I'm not a beer drinker, but there are some down there that are FABULOUS. Thanks to PC Mark Gross for continuing to create a great menu of great beers. Second, we need everyone to keep up on their tabs and pay them ASAP please. The first of each month we have to close out the books. Having open hanging tabs makes that effort more difficult. Please close out your tabs ASAP.

Dogs at the club update - It has come to my attention that there have been several complaints around some dogs at the club. As a reminder, per the House and Ground Rules, dogs are not allowed in the clubhouse. I know I have been guilty of this, and it will not happen again. Additionally, dogs should be on a leash, specifically if the dog is not behaving well. It's the responsibility of the dog owner to control their dog, as we cannot have members concerned about the wellbeing of their families while at the club due to a dog that is acting aggressive or is simply super excited. Please ensure your dogs are under control when at the club.

Thank you everyone, and as always, I look forward to seeing you at the Club.

Sandusky Vice VC Wes Blazer

I hope everyone is enjoying the warmer weather and is happy to see summer arrive. Racing is in full swing. I wanted to touch on a couple of topics.

Concrete leveling - We are also currently looking into having the concrete around the club leveled to reduce tripping hazards.

Dock tying 101 - We have been walking the docks this past weekend surveying the club. I have noticed many boats are not tied to the dock properly and it might be a good time to refresh ourselves with the Chapman manual. I know that much of that information can seem like overkill, but it can be the difference in how your boat will make it through a storm like we had on Memorial Day weekend. If you have not been down to check on your boat, head to the club and check your dock lines. Might as well have a beer while you're there.

Please feel free to email me questions, comments, or suggestions at ViceCommodore@SanduskySailingClub.com or on my cell at 386-416-9034.

View from the Rear RC Hank Boissoneault

June starts out slowly and always seems to go by too fast. This year it was no exception with Wednesday night racing and weekend activities the month just flew by.

Interlake One Design Regatta - The second weekend of the month Sandusky Sailing Club hosted the Interlake One Design Regatta/ Nationals Tune-up. While we were greeted by only 10 boats, the racing was very tight and the courses were set up perfectly. The Sandusky Bay chop was very difficult to maneuver through so it proved to be a good tune-up for Nationals.

Friday nights in June also saw the start of Friday Night Laser Racing. The first one had people from all over Northern Ohio. With the help of PC Mike Muhn and Carolyn Zettler, a total of four races were held along with some good fellowship on the docks afterwards. If you still have your Laser and would like to test your skills, please contact Phillip Montgomery for more details.

Taco Friday - On June 24, Mike and Beverly Haase provided \$2 tacos and all the fixings. While we love PC Matt Bedee's freshly made-to-order pizza's, it was a fun change for one night to mix things up. Thank you, Mike and Beverly.

Dress In White - On June 25 the DRESS IN WHITE party took place sponsored by Delee Reitz and PC Jim Ziss. It was a party not to miss. With a live DJ, the dance floor was full by the end of the night. Everyone looked good in their post Memorial Day/Pre Labor Day whites. There was even a crowd wearing Tyvek suits until they got so hot they had to change. I would call the party a success as a fun time was had by all. Thank you Delee and Jim for a entertaining evening.

Junior Sailing - July started off with more Junior sailing with Sandusky Sailing Club hosting Area E Qualifiers in both 420's and Lasers. If you look at youth sailing, you have to feel the sport of sailboat racing and cruising has a healthy future. There were kids all over the bay sailing in variable conditions. It was a great sight to see. Thanks always to our excellent race committee and Jay Austin for hosting a wonderful event.

Commodore's Day - On July 3, we held the Commodore's Day Luncheon. Commodore Andy Davis provided ample amounts of pulled pork while the members brought potluck servings for a wonderful day. It was a nice chance to see some of the past Commodores at the club enjoying the day. It was organized by PC Matt Bedee and Comm. Andy Davis.

Interlake Nationals - Coming up in July we have the Interlake Nationals on July 14-17. SSC will play host to well over 30 Interlakes vying for the crown of National Champion. There will be a band "Riptide" will be playing Wednesday night, "Rolando" Thursday and a DJ Jeff Fantozzi Friday night. On Saturday we will have the awards ceremony with burgers and brats at the clubhouse pavilion. I hope all the members will come down and celebrate the historic tradition of the Interlake at Sandusky Sailing Club.

Opti Championships - On July 24 we will host the Opti Championships. Another great Junior event that continues to be the seeds of a great future. Volunteers are always needed and appreciated. Please contact Jay Austin if you are able to help out in any way.

Steeplechase - At the end of the month sees us hosting the Steeplechase to Put-in-Bay. For many years this was the crowning event of the summer, however; we have a ton of racing and parties to come in the fall.

As always, if you have a party idea, and care to volunteer your time hosting a party, please contact me and we'll put it on the calendar. The club is here for all of us to use and participate in at whatever level you feel comfortable.

Thank you. RC Hank Boissoneault 419-357-1044 or RearCommodore@SanduskySailingClub.com

Sadler Basin CommitteePC Steve Jackson

The Sadler Basin Committee wants to thank you for your patience after the late spring storm and the subsequent damages to the basin, especially the dock situation. PC Matt Bedee has done a masterful job of relocating boats. Art Averell has been on top of dock problems as they appear, especially relocating the sand bags to a new location along the bay fence.

Dockboxes - At our next meeting, the committee will be discussing the anchoring procedure for the dock boxes and locations. Another topic to be discussed will be the high water protection wood barriers.

Horizontal dock boards - We had to stop the horizontal dock board project for a short time, but are now ready to resume.

Any suggestions or questions, please contact the Sadler Basin Committee at SadlerBoard@sanduskysailingclub.com

Regattas Jay Austin

I wanted to share with you a few of our upcoming regattas.

I-LYA Opti Championships - On Saturday, July 24, our Sandusky Junior Race Team will host the I-LYA Opti Championships. For those of you who were around for Opti Nationals back in 2012, you know how much fun it is to welcome the kids and parents to our wonderful club! If you are interested in helping at the Opti Regatta, please contact Michelle Gilboy or PC Matt Bedee.

As always, these regattas take a lot of planning and effort to ensure a successful event. Anyone who is willing to help serve food, direct traffic flow, or run a safety boat for the Area E Champs on July 1-2, please call, text, or email me. SSC looks forward to these upcoming regattas and more events in August and September. Thanks for all your help and support! This keeps our sport thriving.

Take a look at our Regattas page on the SSC website for more information.

Learn to Sail is off to a great start with full sessions.

Our thanks to the Sandusky Yacht Club for sharing their pool with us for swim tests.

The Junior Race Team participated in their first regatta Saturday, June 19 at North Cape. Three optis skippered by Annalea, Cassidy and Cameron participated in the event.

Cassidy and Annalea also raced at Edgewater Wednesday, June 24. Both finished in the top 25% of the fleet.

The Junior Race Team then sailed in the regatta at Cleveland Yacht Club on June 26. Winds steady at 20 knots gusting to 30 made racing challenging!

Our team has seven participants. Five sail optis, one laser and one opti transitioning to a laser.

Learn to Sail is offering 2 sessions, three days each to the youth of the youth of the community. New this year are sessions for kayaking.

Queen of Hearts is over \$2000! Buy your tickets at Vita for a chance to win big money!!

Vita is donating the beverages for the pop machine. All proceeds go to Learn to Sail. Thank you Vita!

Sea Bags are available in new sizes. Wristlet and bucket bags are available. See Suzanne at the Junior Barn or e-mail to Suzanne@sailsandusky.org

Cruising Fleet..... Tim Ujvari

Middle Bass Island Sailaway - The turnout June 26 was wonderful with a lot of interest in a sailaway to Middle Bass Island. The dates and the tentative itinerary are as follows:

Sunday, July 11, departing SSC at 9:00am with a skipper meeting at 8:00am. Enjoy the Island. Bring an appetizer of your choice and favorite beverage(s) to share at a 4:00ish Islands Mixer. The exact location is yet to be determined. We can have a dinner cookout at the available grills.

Monday, July 12, take a trip to South Bass Island via the Sonny S or a dingy ride.

Tuesday, July 13, depart Middle Bass Island.

There are currently 13 slips available at the Middle Bass Island State Park Marina. Skippers can reserve one or both nights. Reservations are to be made by contacting the Marina at (419) 285-0311 and mention that you are with the Sandusky

Sailing Club. The reservations are for the "D" dock with slips that will accommodate up to 44'. The cost is \$1.75 per foot. The marina does offer a cancellation policy which should be inquired about during your reservation. If we exceed 13 slips, others are available but they will be on a different dock.

Adaptive Sailing.....Larry Knauer

We are offering more Sailing opportunities this year.

Special sailing days - We are offering special sailing days for specific groups, as an example; on Fridays we are taking groups out from 10:00am to noon. We are working on scheduling. As those dates fill in we will let you know.

Race night one design class - With some uncertainty as to when the OVH might be able to participate, we will be opening Monday nights to a broader community with the intent to promote sailing to the veterans and people with mobility limitations by offering a race night one design class intended to encourage the captains to take people out for a sail on the Windriders. I have attached a draft Notice Of Race for your reference, please give me feedback on your thoughts. Please let me know of your availability to volunteer for any of these events. We can use both on shore and in water support.

Thanks for your continued support in helping those that did not think sailing was an option get out and mobile on water.

Results - SSC Sailors rule!

Mills Race, Toledo Yacht Club, June 11

Scoop - Tim Willford and John Schaffner 1st in PHRF H

InfraRed - PC Bryan Huntley 1st in PHRF I

Interlake Tune-Up Regatta, June 12

Turtle - RC Hank Boissoneault and Danny Olson - 1st

Smiles - PC Brad Huntley and Denny Butts - 3rd

For the good of the order

Interlake Tune-Up Regatta - On June 12, there were 10 boats, five races, variable wind speeds, and a 125-degree wind shift throughout the day, plenty of power boat chop to deal with in the light air times, sunshine all day and an ample supply of cold beverages after the boats were put away. This five-race series provided locals and out-of-towners with a Nationals review / preview of what goes on in Sandusky Bay.
