

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Message from the Commodore..... Comm. Hank Boissoneault

Ahoy, Sandusky Sailing Club members!

As we sail into the heart of September, I'm thrilled to bring you exciting news and updates for the month ahead. It's been an incredible summer of sailing, and we're not done yet! Here's what's on the horizon:

One-Design Regatta - Sept. 16 and 17.

Mark your calendars for an action-packed weekend of competitive sailing. This event promises to be a highlight of our sailing season, featuring tight races, skilled sailors, and a whole lot of fun. Whether you're a seasoned racer or looking to dip your toes into competitive sailing, this regatta is a fantastic opportunity to test your skills and enjoy some friendly competition.

The end of summer push - As we approach the end of summer, it's time for one final push to make the most of our beautiful Lake Erie waters. Let's keep those sails unfurled and the wind in our favor. There's no better time to take advantage of the lingering warmth and extended daylight hours for memorable cruises with friends and family.

Club updates - Our club has seen fantastic growth and improvements this year. Thanks to the dedication of our members, we've successfully hosted several events, sailing lessons, and social gatherings.

As we head into fall, we'll be looking for volunteers for end-of-season workday and annual meeting on Oct. 7. Your continued support/involvement make our club thrive.

Looking ahead - While the end of summer may be approaching, we want to assure you that the sailing season isn't over. Fall sailing on Lake Erie is a true delight, with crisp air, fewer crowds, and vibrant foliage along the shorelines. Keep an eye on our website and social media channels for information about fall sailing events and activities.

I want to express my heartfelt gratitude to all of you for making this year at Sandusky Sailing Club a memorable one. Your enthusiasm and passion for sailing are what make this club so special. As your Commodore, I couldn't be prouder of the Sandusky Sailing Club community.

It saddens me to report that Chuck Cable passed away on July 18. Although Chuck sailed many local races on *Gusto* and *Time*, it was no secret he loved the long distance Mackinac races. He participated in 20 Port Huron Mac races and seven Chicago Macs - placing in 12 of the 27 races. Even though his health has kept him away from the club over the past few years, his energy and enthusiasm will be missed. Our condolences go out to his family. Happy sailing, Chuck. (Reprint from the August *Cross Bearings* since it didn't make the printed version last month)

We also lost our longest standing member, Judson Spore. Jud has been a member of SSC since 1939 when he joined the club at the age of 10. He passed away on Aug. 4, 2023. We'll always remember Jud's great smile and laugh as he sailed the bay. And especially his love for Genesee Cream Ales.

Fair winds and following seas,
Hank Boissoneault
Commodore, Sandusky Sailing Club 419-357-1044

P.S. Don't forget to mark your calendars for the One-Design Regatta on Sept. 16 and 17. It's going to be a weekend to remember!

House and Grounds VC Jason Huffman

I want to start off thanking all of the members that have volunteered over the last month or so. It truly has taken a village with J/24s and the Islands Race. Our membership has worked tirelessly to show what a top-notch event we can host and how special our club is.

This fact has not been lost on the people who have come to our club to compete. The Board and Bridge have received numerous compliments regarding both events. This is a direct result of the effort of our club members!

Fall Workday and Annual Meeting - As we move into the fall, get ready for the Fall Workday and Annual Meeting, I know none of use want to hear it, but we are entering the fall season and the time to prep for winter is fast approaching.

If you see anything that needs to be addressed, please let me or any member of the Bridge know. Call/text 614-940-1565 or email me at huffman.jason@gmail.com.

View from the RearRC John Giordano
September is here and summer activities are slowing down. But there are several weeks of sailing remaining.

We held several great events in August with the J/24 event and the Islands Race being at the top. All those events were well executed, and we've received many compliments. We are a volunteer club and it takes all of us to make events a success. So thanks to the club and the many individuals who assisted. It's a testament to the saying "many hands make light work."

Friday Night Feeds continue to be well attended as well as the meals after Wednesday racing. Thanks to the many members who have offered their time to serve. We do still have several openings for Fridays over the remainder of the season and for Fireside Fridays as we transition to the winter season. So please speak with Marcia or me to sign up.

Bar Volunteers - In addition to the Friday night meals, as we move into fall and upcoming holiday seasons, we are looking to expand the bar volunteer pool. If you are willing to tend bar one evening, please get with Marcia and look for announcements about upcoming bartender orientations.

Finally, the online club calendar is the place to find information on the club's many events. However, last-minute changes and weekly reminders will be communicated via e-mail and the *Remind* texting service. If you are not receiving these weekly notes, please ensure that your information on the club's website is up to date and that you sign up for *Remind*. To do the latter please text @sailsand to the number 81010. If you have done both and are still not getting the notices, please let me know.

Upcoming events:
Friday Night Feeds – 9/1, 9/8, 9/15, 9/22, 9/29
One Design Regatta – 9/16 – 9/17

As always, if you have ideas for a club activity, have a suggestion or would like to volunteer for any event, send me a note. RC John Giordano, Boiler.John85@gmail.com 205-903-9257.

Upcoming events:
Friday Night Feeds – Sept. 1, 8, 15, 22 and 29
One Design Regatta – Sept. 16 and 17

VC Jason Huffman trades club burgees with PC Mike Austin.

**Sandusky Junior Sailors, Inc...Suzanne Hartley/
Mic Kaufman / Michelle Gilboy**

It was a busy summer for SJSI and we are very thankful for all the help we received from club members, volunteers new and old, and others in the community. It was only with everyone's support that we were able to do so much.

This year we partnered with a group starting a sailing program and worked hard to support them in their new adventure. This program has purchased all of our old Learn to Sail assets to begin their journey in the upcoming years. We were very happy to work with this program all summer and know our assets have gone to a good home. We wish them luck as they move forward with their planning. Getting more kids on the water and growing the sport is what it was all about.

In addition to this partnership, we have also continued or developed partnerships with the City of Sandusky, Cleveland Foundry, Edgewater Yacht Club, and the Sandusky Yacht Club. In the past we have hosted programs for the City of Sandusky and the Sandusky Yacht Club and will be continuing those opportunities in the 2024 season.

Our tentative schedule for 2024 is on our website and will be made final once the Board approves it. At that time, we will open registration for the 2024 Season. As in years past, it will be open long before the holiday season so you can purchase classes for those young sailors in your family.

As we close out the 2023 season, all of our YLTS assets have been tucked away in their winter resting places or sent out for their required yearly service. It is quiet and empty at the Junior Building right now, but it will be alive with the hustle and bustle of young sailors again before we know it.

Sadler Basin Committee PC Pete Grant

Trailer ball stands - We were able to put together five new ball stands for the growing Interlake and Flying Scot fleets this week. Thank you, Art, for heading up the project.

Breakers for Springer's SW2, SW5, and SW20 have been ordered to be replaced and may be done by the time this is published. Please let us know if you see any other problems with the electrical system. We are working on a solution for the flexible conduit in the water at the ramps on the floating main docks.

Broken cleats - We are also in the process of replacing any broken cleats. We have walked the docks and are ordering replacements.

From the Finish Line

Moseley Challenge - current leaders

PHRF: *InfraRed, Solitude*

JAM: *Wet Wombat*

I-LYA Bay Week

Mystery Dance, Peter Huston - 1st in JAM A

InfraRed, PC Bryan Huntley - 2nd in PHRF D

Uncivilized, Russ Krock - 2nd in Single-handed

Sandusky Islands Race

Second Chance, Dave Kocias - 1st in Cruising, 1st Catalina

True North, David Brink - 3rd in Cruising

Mystery Dance, Peter Huston - 1st in JAM

Wet Wombat, Gary Melssen - 2nd in JAM

Throwback, Bill and Judy Kellner - 3rd in JAM

Uncivilized, Russ Krock - 2nd in Single-handed

Oasis, PC Michael Fishbaugh - 3rd in PHRF A

Magic, PC Bruce Roberts - 2nd in PHRF B

InfraRed, PC Bryan Huntley - 1st in PHRF C, 3rd Overall

Red Dog, Cliff Ruckstuhl - 2nd in PHRF C

Smack Talk, Tim Willford - 3rd in PHRF C, 1st in S2

PC Jack Doller and PC Eric Winkel worked the registration desk for the 68th sailing of the Sandusky Island Race.

PC Doller sailed in the very first Islands Race when it used to go around the Cleveland Crib and back.

 - 4) R "16" channel buoy
- START (SS)** SSC orange inflatable and Race Committee boat
FINISH (FF) SSC entrance buoy white pin and SSC inflatable.
FIXED MARK DISTANCE is the distance to all the fixed marks on a course. It does not include any distance from the Start to Mark 1 and/or Mark 2. This distance will be added from info generated by the mark boat's GPS.

SSC Auxiliary Fleet Sailing Instructions 2023 Wednesday Night Series

1 RULES

- 1.1 The races/series will be governed by the rules as defined in the Racing Rules of Sailing for 2021-2024. (RRS)
- 1.2 The PHRF-LE Code of Regulations will apply.
- 1.3 The T-10 Class One Design Rules will apply.
- 1.4 These Sailing Instructions (SI's) will apply.
- 1.5 Race dates, warning times and start order are specified in the 2023 SSC Race Schedule.
- 1.6 The Wednesday Evening Race Courses – Auxiliary 2023 edition will apply.
- 1.7 The NOR issued by each fleet will apply.

2 NOTICES TO COMPETITORS & CHANGES TO THE SI'S

Notices to competitors and changes to these SI's will be posted on the Race Notice bulletin board located on the east wall of the SSC Clubhouse. Any change to these SI's will be posted no later than 2 hours prior to the first class start.

3 SIGNALS MADE ASHORE

- 3.1 Signals made ashore shall be displayed from the flag stand on ESCORT 1
- 3.2 When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 30 minutes' in the race signal AP.

4 CLASS FLAGS

JAM A / B Purple
PHRF / T-10 Green with yellow diagonal

5 MARKS

The starting mark will be an orange inflatable.
Mark 1 will be an orange inflatable
Mark 2 will be the R"14" channel buoy.
Mark 3 will be G"5" channel buoy.
Mark 4 will be R"16" channel buoy.

6 PENALTY SYSTEM

RRS 44.1 is changed so that the Two-Turns Penalty is replaced by the One-Turn Penalty.

7 THE START

The starting line will be between a nearby orange inflatable mark and the staff on the signal boat holding an orange flag.

8 THE FINISH

The finish line will be between an inflatable mark and the SSC entry buoy.

9 TIME LIMITS

- 9.1 If no boat has passed the first fixed mark within 1 hour of their start, the race will be abandoned for all classes.
- 9.2 If the first boat within each fleet has not finished within two hours of their start, the race will be abandoned for that fleet.

10 PROTESTS AND REQUESTS FOR REDRESS

Protest forms are available in the Commodore's Room. Protests and requests for redress shall be delivered to the Commodore's Room within 1 hour after the RC boat docks.

11 SCORING

RRS A4 low point scoring system shall apply.

12 SAFETY REGULATIONS

- 12.1 When Code Flag "L" is displayed, all boats racing are required to sail past the transom of the RC signal boat and supply their boat name, sail numbers and class to be raced.
- 12.2 A boat that retires from the race shall notify the race committee as soon as possible.

13 RADIO COMMUNICATION

13.1 Except in an emergency, a boat shall neither make wireless transmissions while racing nor receive wireless communications not freely available to all boats. This restriction also applies to mobile telephones.

13.2 Except for emergencies, communications with the race committee shall not be initiated during any starting sequence.

13.3 SSC RC boats use VHF channels 68 and/or 72 for race communications.

13.4 Race committee boats will monitor channel 16, as required by FCC rules, whenever not actively communicating on another channel.

14 DISCLAIMER OF LIABILITY

Competitors participate in the series entirely at their own risk. See RRS Rule 3 "Decision to Race". The Sandusky Sailing Club will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the races within this series.

Published 12 May 2023
Jim Keane Co-Chair RC

ADDENDUM:

JAM A and JAM B will start together at 1900 hrs.
PHRF/ T-10 will start at 1910 hrs.

After 1 September 2023 the start time will be moved up one half hour to 1830 and 1840 hrs. respectively.

The FUN SERIES at the end of the season shall Start at 1800 hrs.

Moseley Channel Challenge

*The thrill of racing
at your pace and
on your schedule*

- Start between buoys R"14" and G"13". Sail the Moseley Channel trapazoid (once around) either the RED or GREEN course. You must pass thru the sets of buoys as described in the course.
- Sail anytime you choose between June 1st and Oct. 31st. Record your date and elapsed time. Email it to eric@artdpartment.com.
- Cost is \$20 for your first time turned in. Fastest corrected time wins. You can turn in more than one time. Turn them all in, we have more prizes. Open all classes (i.e. PHRF, JAM, Multihull, Interlake, Cruising, etc.)

**CAN BE USED
AS A COUNTER
IN YOUR PHRF or JAM
HOME SERIES**

RED COURSE:

Start between (R"14"/G"13")

pass between: (R"6"/G"5")

pass GC"7" to port

pass GC"9" to port

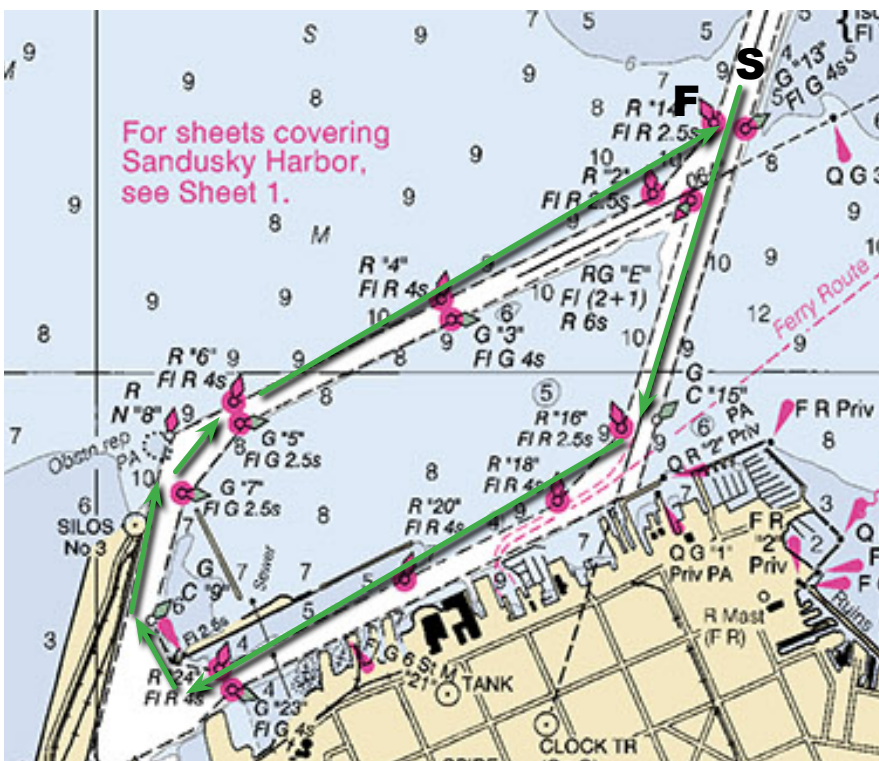

pass between: (R"24"/G"23")

pass between: (R"16"/GC"15")

Finish between (R"14"/G"13")

Course distance: 3.69nM

NOTE: Freighters and ferries have right-of-way in the channel. Please respect their restricted movement. If you get the five quick blasts denoting collision course, you must retire from that race and start over.

GREEN COURSE:

Start between (R"14"/G"13")

pass between: (G"15"/R"16")

pass between: (G"23"/R"24")

pass GC"9" to starboard

pass GC"7" to starboard

pass between: (G"5"/R"6")

Finish between (G"13"/R"14")

Course distance: 3.69nM

NOTE: Freighters and ferries have right-of-way in the channel. Please respect their restricted movement. If you get the five quick blasts denoting collision course, you must retire from that race and start over.

The contractor for the US Army Corps of Engineers plans to begin dredging activities in the Sandusky Bay the week of September 11. They will be laying a pipeline on the lakebed to carry the dredged material to the placement site at the wetlands area off the Cedar Point Causeway. The pipeline area will be marked by orange buoys every 500 feet.

⚠️ 🚤 If you are boating out in the bay over the next few weeks, please use caution if you are traveling through these areas. Boaters are asked to go slow and stay away from the marine equipment, stay clear of the pipeline, and stay out of the perimeter of the placement area.

📌 Why is this being done? The bay is not naturally deep enough for freighters to travel through its waters. In order to allow for shipping, the Army Corp dredges out material from the base of the bay along shipping channels so freighters can reach the coal docks. The dredged material is then pumped to the new wetlands facility for safe storage and to create new bio-friendly wetlands.
