

SANDUSKY SAILING CLUB

PO BOX 814 • SANDUSKY, OHIO 44871-0814 • www.sanduskysailingclub.com

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Commodore's Comments Comm. Wendy Kaufman

Yearbooks – What a beautiful picture on the front of our 2017 yearbooks. It has been a bit of a challenge, but they are printed and ready for pick-up. My apologies for the part I played in the delay. Thank you to VC Mark Gross and PC Eric Winkel for all your work in compiling and completing this project. Also, thank you to Eilene Guy for your exceptional editing!

Cruising – Leo and I have certainly had some awesome evening bay cruises this summer. We have really enjoyed our quiet relaxing sails, especially with Max and his girlfriend (January) before he shipped off to Paris Island to begin his Marine Corps adventure. Each time I see a posting, or read an invitation to a cruise event, it stirs in me a longing to try some long-range sails, without the pressure of a finish line. There are many cruising events that our fleet plans and even more that they participate in. Check out the board, Cross Bearings, and email blasts that invite us all to cruises around the area and beyond!

Regattas & Races – Please continue to watch for and support area upcoming regattas. Several people have asked about crewing on Wednesday and Sunday races and getting involved in our club. Their excitement is contagious. I am looking forward to hearing more stories about all the experiences you all are having out there racing.

New Members – We accepted several new members from the June meeting. Crew members: Joseph Lattur, Stewart Zerkle, Lou Schier, Matthew Braniecki. Regular members: Briston Brocker of Worthington, Ohio, Alex Huber of Huron, and Randall Adkins of Mansfield, Ohio.

As always, please feel free to contact me anytime.

As your Commodore, I am committed to serving you and hope that you will join our board meetings the second Tuesday of each month at 7:00pm. Thank you. Comm. Wendy Kaufman, text or call 419-656-9566 (cell) or email me at willowwalkers@aol.com

Vice Vice Baby!!VC Mark Gross

House & Grounds – We would like to get the island and the bed to the right of the entrance (on your way in) thoroughly weeded. If you have the skills, time, and desire to help out with landscaping projects, please let me know what you'd like to do. If you see something that needs to be addressed, please let Tim or me know.

Kristen Winkel and Matt Braniecki sail Solitude during the Norm Winkel Great Sailboat Race at SYC Regatta.

Fall Work Day and General Meeting – Fall Work Day and the fall General Meeting are scheduled for Oct. 14, 2017. The General Meeting will take place at 9:00 am, immediately followed by work day. Lunch will be served after all projects have been completed. If you see a project that needs attention at fall work day, please let me know.

Windows/Screens – A huge thank you to Comm. Wendy Kaufman for completing the window and screen replacement project. She came up with the idea of asking for donations of replacement windows from our members. Better yet, she and Leo offered to buy screens for every window donated. It was a giant success! Thanks to Wendy (and Leo) and all of the generous donors, every double-hung window and screen in the clubhouse has been replaced with a modern, energy-efficient, easy to clean window and screen (the casements are still in need of some repair). This is a fantastic upgrade that will save money and simplify maintenance for years to come!

Roof Project – The roof replacement project at the club is complete! It looks great and will enhance and protect the clubhouse for a long time into the future!

Grills – Don't forget that the grills are SSC property and available for use by all club members. Please make sure to clean the grills after you use them; the next user will appreciate it and the grills will last longer. There are grill brushes in the galley. Thanks!

2017 Yearbook – The yearbook is complete and has gone to print. Thank you to PC Eric Winkel for all his help! Please pick up your copy from the clubhouse at your earliest opportunity. The yearbook is on our website as well. To get to the full yearbook you must log in. Then click on Member Center. Then click on 2017 Yearbook. The public version (minus personal info sections) is accessible by clicking on About SSC then 2017 Yearbook.

Contact me at mgross@grosslaw.net or 419-357-6747.

The View from the RearRC John Schwartz

The summer is flying by. I had ambitions of hosting at least a couple Friday forums and/or a couple Saturday parties-- but the junior sailing schedule (and sometimes even the day job) has really interfered. I've gotten to do at least a little sailing of my own-- hopefully you all have as well.

The junior sailing season is winding down-- just three more Saturday junior regattas left: Cleveland Yacht Club, Erie Yacht Club, and Hoover Yacht Club to wrap it all up on Aug. 12.

Incidentally, the J24 Districts will be hosted at SSC the weekend of Aug. 12.

I'd like to pull a **Saturday afternoon blender and/or boat drinks party** together on Saturday, Aug. 19. I have lined up a reggae band to play from 4pm-8pm. I'll fire up the grill so burgers/brats will be available for the usual price-- but I'll also put up a Google doc sign up form so that people can sign up to bring either a drink or a side dish. For those of you with kids or grandkids-- this is a family friendly event. The great thing about blender drinks is that you can make most of them with or without alcohol-- and kids love reggae. I'll do the usual barrage of emails as we get closer to that weekend.

I need to thank a couple people this month. First – Frank Hill who really stepped up and delivered better than average fare on his Wednesday night burger duty with fresh corn, watermelon, and burgers much much closer to medium rare right off the grill. Frank has also asked that I start stocking some whole wheat buns as well as white. GFS no longer sells wheat apparently, but I set up a new account at Norwalk's IGA (close to my office) so that I can grab better produce, wheat buns, etc. on the way to the club on Wednesdays. When your night comes-- feel free to let me know if you want something special.

Second – I really appreciate PC Mike Austin who saw that the club needed mopping and stepped in to cover this Rear Commodore's dereliction in that regard.

Third – thank you to Amy Young and Tim Kyle for helping me understand the finer points of SSC's health department license requirements.

And fourth and finally – to everyone that has so cheerfully stepped up to make sure the galley and burger night has run (mostly) smoothly all the way up to now.

One final word about the galley though – nothing but condiments are allowed to go back into the refrigerator. No food leftovers are permitted by our food license. At the bitter end of the night, we either sell it cheap if we can, give it away if we can't -- or throw it away if we must. That's all I have organized so far this month. Thanks & watch your email for info leading up to the 19th.

Keep the ideas coming either by email at john@christielane.com or by voice/text at 419-706-5137.

Operations Tim Kyle

New gate cards (green) are in full swing. Go ahead and throw the old white card away.

Let's keep the speed down while driving thru the parking lot. We have a lot of activity going on.

If you see trash on the ground, please feel free to pick it up and put in the recepticals. It's your club; let's keep it beautiful.

We have several 26- and 30-foot docks available. It would be a great time to invite a sailing friend to join us or request reassignment if there is something available that would be more desirable to you. Contact me for availability.

The next scheduled Sadler Committee meeting is Monday, Sept. 4 at 7:00pm.

Feel free to contact me with questions or concerns about the marina or clubhouse, at timmo@sbcglobal.net or call 419-656-5881.

Regatta Committee..... Jay Austin

The Sandusky Sailing Club prides itself on a tradition of outstanding race and regatta management both on and off the water. We are a club built on this tradition, but sometimes we take it for granted that we can count on square courses and fair sailing. It takes a strong team to pull off what we do week-in and week-out. That being said, we are asking for your support on the Race Committee. The Race Governing and Regatta Committees are looking for dedicated sailors who would be interested in learning the ropes on the Yellow Boats. Working RC is a great way to learn about racing from another perspective. RC work takes commitment, dedication, and a willingness to learn from experienced RC members. If you feel this would be something to try out, please contact Jim Keane or me. You will have on-the-job training during a Wednesday night or Sunday morning race. Weekend regattas could also be a possibility. We are specifically looking for dependable people who could commit weekly and eventually set up a race course and be the person in charge on a Wednesday night.

Unsure if this is for you? Please feel free to give me a call at 330-351-0283. We look forward to continuing a tradition of excellence at SSC. COME JOIN THE RACE COMMITTEE!

Cruising Fleet..... Mark Swabley

2017 Activities

Mid August Western Lake Erie Cruise
Sept 6-7 Port Clinton

Sunday Morning Bay Cruises – There are a number of Sunday morning cruises scheduled to take advantage of open weekends. They will start at 9, so we can get out and back before it's time to head home. The dates are July 30, Aug. 6, 20 and 27 and Sept. 10.

I-LYA Reciprocals – The definition of what to expect when you cruise to another I-LYA club has changed a lot over the years. It used to mean that you could expect what we offer at SSC to visiting yachtsmen. Not so much anymore. Now you might get the I-LYA deal and that varies by club. As the visiting skipper it has become your responsibility to contact the club you plan to visit, if that is even possible, to find out what they offer and what hoops you need to jump through to get it. The good news is that in most cases you just tell them on arrival that you are from SSC, an I-LYA club, and they give you their deal with no questions asked. Sometimes they may want to see your SSC card. If you encounter a need for more documentation, let me know.

Sandusky Junior Sailing...PC Mike Fishbaugh

SJS featured boat for sale – 1975 Ranger 28. These boats are said to win more than their share in PHRF, even today.

Displacement is 5,100. Draws 4' 6". 9.7' beam. Power is a Saildrive retrofit. Barient winches, tiller steering. This boat was actively sailed until about four years ago and has since been stored at the boat yard, with little

attention since, so it needs a little cleaning up. Large sail inventory includes at least one mainsail, various jibs, and at least one spinnaker with turtle bag. Rather old sails (remember Fracker?) but said by the donor to all be usable. They're stored separately in an indoor heated space along with the cabin and cockpit cushions. The hull is solid (i.e., non-cored.) Decks are balsa core and show significant softness. Lots of gear on board. \$1,500 Contact: Mike Zuilhof 419-621-8070 or Dennis Butts 419-206-2120

Sandusky Junior Race Team.....Paula Grant

Summer Days, driftin'away...

Our junior race team is over halfway through its season. We have had some amazing regattas, and most with great breeze! Our I-LYA Traveler's Series started at Alum Creek, and from then to our own Sandusky Regatta. Many thanks to all who helped make that a successful day! As usual, we have heard rave reviews on our regatta from our sister clubs. Following Sandusky, the fleet traveled to Edgewater, North Cape, and Port Clinton, and most recently our Laser and C420 fleet completed a great week at Junior Bay. Alex Schock and Lily Schwartz took 25th in the 420s, while in the Laser fleet, rising star Braxton Berry took 13th, followed by Maddie Grant in 16th, Jon Mack in 21st, and Matthew Toldy in 36th.

Our juniors have remained competitive and also had some great camaraderie and teamwork. At this point, several on our team hold some high rankings in the I-LYA Traveler's Series with only three races left! We will finish our year at CYC, Erie, and Hoover Yacht Clubs, so if you have a chance, come watch our kids represent our club well.

We would also like to wish Fair Winds and Following Seas to the Koliha family, who will be moving to Seattle, Washington this month. Jack and Nathan have raced in the Opti Fleet for the last few years and Kristin was our team coordinator in 2016. Best of luck to you all!

Adaptive Sailing AdventuresLarry Knauer

Where is summer going? Hard to believe we are in the last third of the season already. We had an excellent front page article after last month's Open House Sailing Event which is resulting in more interest in this coming Wednesday's Open House from 10-4 at the club. We are expecting turnout from both the resident and nursing home sides of OVH. I also received several calls from others interested in coming out or bringing others with them.

Once again, weather permitting we hope to have Freedom Boat Club bring their pontoon boat as well kayaks, canoes, paddleboards in addition to the sail boats. We will have a lunch served. We'll need a good group of volunteers to help with this event for welcoming, loading and unloading, on water support, lunch and just sitting and talking with the participants (their stories are amazing). This will likely be the largest event (number of participants) we have had, so lots of helping hands will make for light work.

Our final Open House event this year will be on Aug. 23. We will be doing a road trip to Edgewater Yacht Club in mid August for all of you in the Cleveland area.

Thank you for your continued support and help in making this program the great success it is. Look forward to seeing you on Aug. 2.

Dragon and Bacon Festival - Adaptive Adventures will be the benefiting charity for the Dragon and Bacon festival in Sandusky in September. I have attached the file for registration for this event. This is a great team and fellowship building opportunity for your organizations and time is running out for early registration. How about SSC Docks vs other SSC Docks? Mix it up with family members as well; how about the Sandusky Junior Sailing Race Team?

For the Good of the Order

A big thank you to all those who helped with the Sandusky Islands Race/Stein Hospice Cup. It was a great event and the breeze came in much better than anticipated. Hats off to PC Mike Fishbaugh, Bob Sheppard and Brett Langolf as well as all those from Stein Hospice. They put the FUN in fundraiser!

Flying Scot Regatta Wrap-Up – The Flying Scot North American Championship Regatta was an unqualified success! The Flying Scot sailors had a great time and enjoyed three full days on the water with six races in good winds. The last race on Thursday morning was cancelled because of high winds. We heard positive comments from many participants. SSC provided a near perfect venue and delivered superb support.

The Club's net, after expenses may be enough for us to realize a small positive cash flow from operations this year.

Not only was this a memorable Regatta for Flying Scot sailors, it was a lot of fun for our own members, more than 50 of whom pitched in as volunteers. All this volunteer

support is what made this such a great event. Because of this outstanding volunteer support, SSC is developing a well-deserved reputation for hosting professionally run one-design national regattas. I want to recognize our volunteers and on behalf of the bridge and the rest of our members, give them a big, hearty THANK YOU.

FSSA Volunteer List:

Jan Adams	Dick & Phyllis Auge	Jay & Beth Austin
John Eschels	Bill & Debi Fanning	John Hartung
PC Steve & June France		Gladys Jansen
PC Mike & Mary Kay Fleming		Paul Kalister
Mic Kaufman	Comm. Wendy Kaufman	
PC Monty & Suzie Kaufman		Jim & Joyce Keane
Larry Knauer	Kristin, Nate & Jack Koliha	
Ron Krock	Tim Kyle	Doug Leavens
John Martin	PC Mike & Judy Muhn	Tim Parker
Terry & Sandy Parker		RC John Schwartz
Chip Seidl	PC Jeff Smith	Jean Wieber
Karl & Yanny VanderHorst		John Wiggins
PC Ruth Ann Van Fleet		Amy Young
Carolynne Zettler		

I also want to thank the rest of our members for parking out in the Battery Park lot during the regatta. My after-the-event assessment is that for a similar event with 70-90 boats, we can find a way to accommodate member vehicles on the grounds during the event.

Thanks to all of you for your patience. PC Steve France

Kelleys Island Challenge - 2017 NOR – Sail around Kelleys Island any way you wish, any time you wish before Oct. 30, 2017.

Start and finish off the SSC entrance (line up the center of the basin opening with the white light standard). Stay east of the rockpile - R2 (Neuman's) buoy - if you have half a brain.

Other than the island, the only mark on the course is Can G "1" just off the NE corner of Kelleys (NOT C "3" at the KI reef!). Pass outside of it. (See charts below p. 11) http://www.charts.noaa.gov/BookletChart/14844_BookletChart.pdf

Course is 22.5 nautical miles.

Race any time between May 1 and 6:00pm Oct. 30, 2017.

Take your own time.

If you want your results to "count," report them the same day to the SSC JAM email list and Skip at soliver@heidelberg.edu or Facebook, and send \$25 within one week to PC Skip Oliver, 1112 Wayne St., Sandusky, Ohio 44870.

At the end of the season, all funds collected will go to the winner's favorite charity, and will be reported in the Cross Bearings and elsewhere.

You can make more than one attempt per season for your \$25.

Two divisions - crewed and single-handed. (Thus, two winners) 2016 Winners - Single-handed, Steve Zorn, Hunter 30T, Crewed, PC Steve Jackson and Brad Balmert, T10.

PAX & Fair Winds, PC Skip.

The SSC Sunday Sailing Series is building. See the attached race course diagram. If you are interested, have questions or suggestions, contact Brett Langolf (brettlangolf@gmail.com).

Regatta chairs – Please allow six weeks to order event trophies and flags. Thank you, Don Guy.

Sandusky Sailing Club

Basic Keelboat Learn to Sail Course

Qualify to charter one of SSC's cruising sailboats in as little as two days and get a complimentary six month Club Membership

Operating on the protected waters of Sandusky Bay, the Sandusky Sailing Club offers the ideal learn to sail program and location. On-the-water classes are offered on Tuesday evenings and on weekends.

Tuesday Evening Classes –

5 weekly sessions: 6:00-8:30pm

1st Class runs Tuesday, May 30 through June 27

2nd Class runs Tuesday, July 11 through August 8

Weekend Classes –

Sat/Sun sessions: 9:00am-12:15pm

& 1:30-4:30pm

1st Class – July 15, 16

2nd Class – August 19, 20

Course Fee – \$395 and includes an instruction manual, 12 ½ hours of on-the-water instruction and complimentary six month SSC crew membership providing access to SSC grounds, clubhouse and all SSC social and educational events. Upon completion of course, Tanzer 22 sailboats can be chartered for day sails on Sandusky Bay at the rate of \$150 per half day or \$250 for a full day.

All class segments take place aboard one of SSC's 22 or 24 foot tiller-steered, sloop-rigged sailboats. Students are responsible for providing their own USCG approved PFD and must wear closed-toed, non-marking shoes. Regardless of which course option you choose, you will learn/practice the skills and acquire the knowledge you will need to confidently skipper and day-sail one of SSC's sailboats on Sandusky Bay.

To register or for more information, contact:
