

# SANDUSKY SAILING CLUB

PO BOX 814 • SANDUSKY, OHIO 44871-0814 • [www.sanduskysailingclub.com](http://www.sanduskysailingclub.com)

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

## Commodore's Comments ..... Comm. Steve France

**Adaptive Adventures** - Our first priority is to be the go-to "home away from home" for our members, their family and friends. When what we do (sailing) and our facility can also support worthwhile community initiatives, we should take a look. Last fall, one of our members, Larry Knauer, approached your board to use our club for several Adaptive Adventures sailing events this summer. Adaptive Adventures is a national organization founded in 1999 to provide life changing opportunities for individuals with physical disabilities, sailing being one of those opportunities. Your board recently approved a schedule of Adaptive Adventures events at our club this year.

These events include open houses from 10:00am-4:00pm on Wednesday, June 29 and Wednesday, Aug. 31. They also include an Introduction to Sailing from 5-8pm on the 1<sup>st</sup> and 3<sup>rd</sup> Mondays, June through August. Finally, they are offering a Learn to Race program on Wednesday evenings from 5:30-8:00pm, June through August. They have their own boats and our only contribution is the use of our facilities.

**The Board approved their schedule** for this summer only and will review the program in the fall before making any decisions regarding their use of our club in future years. It's a worthwhile program focused primarily on veterans in Sandusky, and is one way we can give back to our community. At the same time, our members come first. So, as the Adaptive Adventures program progresses, be sure to give me, or any board member, your feedback on how you see the program or how it affects you.

**It's summertime!** It's just great to see sailboats back in Sadler again and it's fun to chat with members readying their boats for the summer, some of whom I haven't seen since last fall. It's a great feeling. Our cruisers have an exciting menu of sail-aways and our first Wednesday and weekend races have already begun.

**Sandusky Islands Race/Stein Hospice Cup** - PC Mike Fishbaugh and Bob Sheppard have been busy organizing this year's Islands Race and club sail-away weekend. I want to emphasize two aspects of this big event. First, it's a club event, not just a race, with a big party for all of us on Friday evening and a sail-away to Middle Bass Island for our cruisers. Second, it's your club's major way to support Stein Hospice with half of the Friday night dinner proceeds going to support local hospice programs. Regardless of whether you race or cruise, I encourage you to put our Regatta weekend, June 24-26 on your calendar.

**The next board meeting of the Sandusky Sailing Club** will be on Tuesday, June 14 at 7:00pm. Meetings are open to all members in good standing.

**If you have any issues that need attention**, please contact me at [stevefrance@ameritech.net](mailto:stevefrance@ameritech.net), or any board member.

**Vice Vice Baby!! ..... VC Wendy Kaufman Yearbook** - The 2016 Yearbook compilation is down to a few details. With any luck it will be at or ready to print by the time this Cross Bearings is sent out! Special thanks to PC Eric Winkel, Eilene Guy and Comm. Steve France.

**Grills** - If you haven't already noticed the big grill has been cleaned and repaired, ready for another season of burgers, brats and whatever else we come up with. Thanks to PC Bryan Huntley for always taking care of our big "grillin" needs. The grills are community assets, there for all to use, so please use the grill brushes in the galley for cleaning after each use. Thank you.

**Clubhouse Roof** - It's time! I am calling all capable hands. We need to get a new roof on our clubhouse this spring! I am putting out the call for anyone willing to help in any way...clean up, haul to landfill, lunch preparation and drink runners, OR if you have roofing guns, air compressors, any other equipment we will need. Let's all pull together and save the cost of labor by VOLUNTEERING to help get this project taken care of! With Leo's guidance, I am coordinating everything. Contact me by email, call, text.... just let me know you are willing. Since the weather broke and the parking lot is sealed, I will be watching the weather and setting a date to get this project completed. Thanks to Phil Montgomery and Crew, Matt Bedee, Leo Kaufman and Mic Kaufman for already volunteering, I only need a few more people for on the roof. Remember....*Many Hands Make Light Work!*

**House & Grounds** - Now that the asphalt is re-sealed and lined, there are a few more small projects that could use attention. Tim has the list at the Dairy Bar. If you have the skills that could perform the job or assist in it, please contact me so I can be sure no one else is already planning to take care of it. If you see something that needs to be addressed, please let Tim or me know so we can add it to the list.

**Thank you.** VC Wendy Kaufman 419-656-9566 (cell) or email me at [willowwalkers@aol.com](mailto:willowwalkers@aol.com)

**The View from the Rear ..... RC Mark Gross Basic Coastal Navigation Seminar** - Members of the United States Power Squadron from Sandusky presented a seminar on Basic Coastal Navigation on April 30 at the SSC clubhouse. The event was well attended, though we had a number of no-shows, which resulted in some additional cost to the club for unused materials. Thanks to Andy Sausser for chairing the event.

**Summer Saturdays at SSC** - The Dairy Bar will be open on Saturdays from 5:00pm to 9:00pm. Our members who spend time at SSC on the weekends in the summer will have an opportunity to gather around the Dairy Bar and enjoy cold beverages and sailing camaraderie. Support your sailing club and come down to socialize or just stop by before you head out for dinner downtown. Fun will be had by all!

**Wednesday Night Races** - Our first Wednesday night race was not as warm as we would like, but we had some intrepid Interlakers brave the chill and get in a race. And we had a nice turnout for burgers, brats, and beverages!

Thanks to VC Wendy Kaufman for helping in the galley and to our excellent home chef, PC Ron Abbott, who manned the grill! Don't forget to come and enjoy dinner and good times at SSC on Wednesday evenings throughout the summer.

**Wednesday night burger duty** - The Wednesday night burger duty schedule has been posted at the club. Please note the assigned dates and work with your fleet captains and crews to help out.

#### **2016 SSC Galley Schedule**

May 18, 25	JAM
June 1, 8, 15, 22	JAM
June 29	SJRT
July 6	SJRT
July 13, 20, 27	Interlake
Aug. 3, 10	Interlake
Aug. 17, 24, 31	PHRF/T10
Sept. 7, 14, 21	PHRF/T10

**Galley Committee** - So far, VC Wendy Kaufman is the only member of the new Galley Committee. The committee will help ensure that the galley is stocked with all necessary items for the summer season, when we go through a lot of stock for Wednesday night racing and the many other events that take place at SSC. Having a regular committee to assist with this on an ongoing basis should help ensure consistency, as well as lighten the load for all involved. If you are willing to donate some of your time and talents to this endeavor, please let me know. Thank you.

**Contact me** - Please feel free to contact me at [mgross@grosslaw.net](mailto:mgross@grosslaw.net) or 419-357-6747.

#### **Operations ..... Tim Kyle**

**Front gate repairs** - The long-awaited gate repair is complete. If you swing by the club, be sure to have your new 2016 gate card (white). They are activated.

**The Sadler Basin Committee will meet** at 7:00pm on Monday, June 6 at SSC.

**Contact information** - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at [timmo@sbcglobal.net](mailto:timmo@sbcglobal.net) or call 419-656-5881.

## **Cruising Fleet.....Mark Swabley**

**Leamington Sail-Away is June 17-19.** Skippers Sheryl Hoffman and John Wiggins will once again be coordinating the cruise and social activities. Dock fees are \$1.75 per ft. plus tax. Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers dock party upon arrival of the fleet. Saturday morning will include our favorite calorie-free pastries on the dock, with the remainder of the day free to explore by foot, taxi, kayak or bicycle. We are exploring the idea of renting taxis and doing a wine tour in the afternoon in the direction of Kingsville. John is working on a location for our group dinner, possibly at O'Sarracino's – it was a hit last year. Our return sail is on Sunday. Customs re-entry is at Cedar Point. Just a reminder: Passports are required for all skippers and crew members. If your boat is 30' or more, you will be required to have a Private Vessel Decal in order to re-enter the States. See more info at this link [www.cbp.gov](http://www.cbp.gov). Email Sheryl at [slhoffman33@gmail.com](mailto:slhoffman33@gmail.com) to tag along.

**Pelee Rendezvous on July 16.** We have 10 docks reserved at Scudder's Marina. We will leave the SSC docks at 9am in order to arrive before the winery closes. Probably fire up the grill for dinner. Some may choose to go on Friday. Will sail back to Sandusky on Sunday. Passports needed for US check-in (Cedar Point or PBI).

**Trip planning?** Are you planning to visit any other I-LYA clubs this summer where you could get reciprocal dock discounts? We are in the process of building a database of advance notification requirements so we can send them the proper paperwork prior to your arrival and we are putting a form on the website to request notification. Until it is up and running, check with your planned destination clubs to see what paperwork, if any, they require in advance and forward that info to [mwsabley@gmail.com](mailto:mwsabley@gmail.com).

## **Junior Race Team.....Stephanie Walls**

**The race team began practicing** for the 2016 season the week of May 16. From now until August, you can expect to see the juniors out in their Optis, Lasers, and 420s every Monday, Tuesday, and Thursday evening from 5pm-dusk. We apologize in advance if you inadvertently find yourself in the middle of an Opti practice course! Members are always welcome to come out and watch the kids practice.

**Traveler Series** - The first regatta is hosted by Buckeye Lake Yacht Club and will be held at Alum Creek on June 4.

**SSC Jr Regatta** - SSC will host the second regatta in the Traveler series on June 18. Please contact Kristin Koliha at [kkoliha@gmail.com](mailto:kkoliha@gmail.com) if you are willing to help out. SJRT always appreciates the support and patience of club members when all the junior sailors descend upon our club. Please come out and support our kids! Races will begin at 11am.

**Later in the month,** our team will be traveling to Edgewater Yacht Club and the Hoover Sailing Club. Good luck team!

**Coaching staff** - SJRT is pleased to share that former junior sailor Mic Kaufman will be returning as the Opti coach. We are also very excited to announce the addition of Al Freeman as our Laser and 420 coach! SJRT is so fortunate to have the benefit of his experience. Welcome, Coach Al!

## **Learn to Sail**

Plans are well underway for a fantastic Learn to Sail program this summer. We are eager to welcome many community student groups to our sailing lessons, including kids from the Nehemiah Center and the YMCA.

**A U.S. Sailing Level 1 course** is scheduled for June 6-9 and a Level 2 Coaching course following on June 11 and 12. Both classes will be taught by our incoming Learn to Sail director, Rick Pinnone, who is an Instructor Trainer for US Sailing. Check the US Sailing website for more information and registration.

## **Website Committee ..... Matt Bedee**

[webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com) is the newest. For the next couple months in the Cross Bearings, we will include the newest address to add to your contacts when requesting updates to the SSC website or if you have questions/issues with the site - [webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com).

When sending event information to [webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com), please include the following information in the subject line: SSC Website - [EVENT NAME] - [DATE OF EVENT]. For example: SSC Website - Sandusky Junior Race Team Spaghetti Dinner and Fundraiser - April 9, 2016. If you do not get a response within 48 hours of sending the email notice, do not assume that it was received and has been addressed. Most events require planning to start several months out, so include updating the website/calendar as part of your event planning activities. The website is a very important tool for sharing information with current members and perspective members.

It was recommended at a recent board meeting that we include more pictures of events on the website. Please feel free to email pictures from events to [webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com) or post them on the SSC Facebook page and they can be pulled from there. We will be looking at integrating Facebook feeds to the website in the near future.

A motion was passed at May's board meeting that lays out the plan for implementation of different aspects of the website to better integrate all aspects of club management and finances. There will be some procedures that we will tweak to fit how the website works, but we are trying to tailor the website usage around how the club works currently. The most noticeable difference may be in the way financials are compared to the previous year; that will no longer be a difference once we get one year of using the same format for financials.

If you would like to see something added to the website or have an idea to make sure it is as user friendly as possible, feel free to contact us at [webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com).

## For the Good of the Order

### *The Kelleys Island Challenge - 2016 "rules"*

Around Kelleys Island any way you wish. Start and finish off the SSC entrance (line up the center of the basin opening with the white light standard). Stay east of the rockpile (R2-Newman's) buoy - if you have half a brain. Other than the island, the only mark on the course is Can C "1" closest to the NE corner of Kelleys (NOT C "3"! ). Pass outside of it. (See charts p.11) [http://www.charts.noaa.gov/BookletChart/14844\\_BookletChart.pdf](http://www.charts.noaa.gov/BookletChart/14844_BookletChart.pdf)

Race any time between May 1 and 6:00pm Oct. 30, 2016. Take your own time.

If you want your results to "count," report them the same day to the SSC JAM email list and PC Skip Oliver at [soliver@heidelberg.edu](mailto:soliver@heidelberg.edu) or Facebook, and send \$25 within one week to PC Skip Oliver, 1112 Wayne St., Sandusky, Ohio 44870. You can make more than one attempt per season for your \$25.

At the end of the season, all funds collected will go to the winner's favorite charity, and will be reported in the Cross Bearings and elsewhere.

There will be two divisions - crewed and single-handed.

Course is 22.5 nautical miles.

2015 winner - *Class Struggle*, PC Skip Oliver, S2 7.9  
Elapsed: 04:03:01 Corrected: 02:57:01 09/08/14 (Per Dave Brink), Sept. 8, 2014, Single handed, JAM rating 176 (Corrected time calculations per PHRF LE numbers)

Anyone have a trophy to donate?

*Regatta chairs* - Please allow six weeks to order trophies or flags for your event. Contact Don Guy at [donguy@aol.com](mailto:donguy@aol.com).

*I-LYA news* - Keep up with the latest news from the Inter-Lake Yachting Association, the governing body of local clubs, by subscribing to the I-LYA newsletter or check out past newsletters at [www.i-lya.org](http://www.i-lya.org).
