## Commodore's Comments .....Mike Fishbaugh

Our sailing days are certainly getting shorter and the temperatures more brisk each day. As we move into October, it's great to see so many SSC members out enjoying great fall sailing.

**3M Party** - RC Steve France is busy organizing a 3M party. No, it has nothing to do with sandpaper or Scotch tape. It will feature grill cooked steaks and three classic cocktails beginning with the letter M: Margaritas, Manhattans and Martinis. This fabulous new event will be on Saturday, Oct. 11. [See flier.](#)

**Fall workday and membership meeting** - Mark your calendars for fall workday on Oct. 18. The SSC general meeting will begin at 9:00am. At the meeting we will review our club financials and operations and then elect a new group of trustees and a rear commodore. Once the meeting is complete, we will divide into work groups to begin getting SSC ready for winter.

### **The slate of candidates for 2015**

as determined by the Nominating Committee is:

- Commodore - VC Pete Grant
- Vice Commodore - RC Steve France
- Rear Commodore - Nominations from the floor
- Trustees - John Eschels, Wendy Kaufman and Terry Parker

**Awards Banquet** - I cordially invite all SSC members to the 2014 Awards and Appreciation Dinner, which will be held at the Sandusky Yacht Club on Saturday, Nov. 8. Cocktails will be served beginning at 5:30pm with awards and dinner to follow. This is always a great evening to celebrate and reminisce with our fellow club members, so please get your RSVP in soon so we can plan accordingly. More details on the banquet can be found on the [attached flier.](#)

**Paul McAllister** - Sadly, we have to report the passing of SSC past commodore Paul G. McAllister. The whole club will miss Paul's presence whether on the porch in a rocker, working the race committee boats or sitting by the fire on a winter Wednesday. Our condolences go out to his family. I am sure Paul will be looking over SSC because he wouldn't have it any other way.

**The next monthly SSC Board meeting** will be held on Tuesday, Oct. 14. As always, board meetings are open to all SSC members.

**I invite you to contact me** by phone at 419-656-0807 or e-mail at [mfishbaugh@pathmaker.net](mailto:mfishbaugh@pathmaker.net) if you notice any club issues that need to be addressed. See you at workday and the awards banquet!

## Vice Vice Baby!! .....VC Pete Grant

**Fall workday/general meeting, Saturday, Oct. 18 -**

We will start the day with coffee and donuts at 8:30am and then the general meeting at 9:00am. I hope to see all of you at the club. As always, we have a lot of little and big jobs that need to be completed before we put the club into winter operation mode. So, bring your rakes, shovels, blowers, hammers and anything else that may come in handy and join us. Lunch will be provided after the general meeting. If you have any facilities and/or grounds projects that you think we need to address, let me know and I'll add them to our workday list. Please consider providing a lunch side dish for the hungry workers to enjoy!

**SSC pet policy**- We're going to the dogs! - Folks, I love dogs, my kids love dogs. On occasion, I've even talk to dogs. Dogs are better company than some people. But as much as I like dogs, I know there are some people in this world (and at SSC) who don't share my infatuation with these wonderful, furry creatures. Dogs scare them. So, help me out. We have a dog policy at SSC - Please follow it! If you bring your dog to the club, you must keep it on a leash and out of the clubhouse, and be sure to clean up after it.

## Vice Vice Baby!! (continued)

**Play area update** - If you haven't been to the club lately maybe you haven't noticed but we have made great progress with the kids' play area. Many thanks to the Montgomerys, Brinkers, Langolfs, Paul McAllister and Tim Kyle for all their hard work and support. We need to spread mulch and get the new play set delivered and the kids will be all set for next summer!! SHIP AHOY MATEYS!!!

I can be reached at a new phone number 330-415-6208 or [pgrant@bex.net](mailto:pgrant@bex.net).

## Rants from the Rear .....RC Steve France

**Margaritas, Manhattans & Martinis Dinner Party** - Acclaimed Chef Tim Kyle will be grilling top sirloin steaks to accompany our featured specialty 3M cocktails for our first post-racing season party at your club. At just \$15 for dinner and \$3 per cocktail, it's the one night in October you won't want to miss. So be sure to save the date on your social calendar: Saturday,

Oct. 11 - Cocktails at 6:00pm with the buffet line opening at 7:00pm. The beef is top quality and expensive, so we're ordering just enough steaks to serve those who plan to attend. Advance reservations are needed by Tuesday, Oct. 7. Call or email to make your reservation. [See flier.](#)

**Wednesday night galley schedule**  
Throughout the racing season, our Wednesday nights have featured

tasty burgers, brats and fixings. Many thanks to all those who satisfied our hearty appetites.

**You can reach me** at 330-524-6516 or [stevefrance@ameritech.net](mailto:stevefrance@ameritech.net).

## Operations .....Tim Kyle

**The electric project is finally done.** This system has been designed to provide the safest possible power to your boat. However, nuisance tripping of the breaker is possible. The panels are unlocked, so if you trip a breaker, you can reset it. If you continue to trip the breaker, check:

1. Be sure your power cord is the appropriate 30 amp twist lock design approved for marine use. Be sure it is in good condition with no cuts or nicks in the casing.
2. Be sure to turn the AC main switch OFF on the boat before plugging in or disconnecting the plug from the dock.
3. Always unplug the dock end before the boat when leaving. Always plug in the boat end before the dock when returning. Never have a "live" plug sitting on the dock.
4. If you repeatedly have problems with tripping the breaker, have your boat's electrical system inspected by a qualified electrician.

**Dock ladders** - When leaving the basin for the last time this fall, please return the ladder at the end of the dock to the upright position. Please clean off the muck before it gets dry and hard. It is much easier. Thank you.

**Winter Wednesdays** - After a long busy summer of Wednesday and Sunday racing, the bartenders are going to take a few weeks off. Winter Wednesdays will resume on Oct. 29 and will be open weekly until spring. Come on down after 5:00 and enjoy a warm fire, a cold beverage, good food, and good companionship. Hope to see you there!

**If you don't plan to return to the basin next year**, please let me know ASAP so we can place a waiting list resident on the dock next year. The waiting list is getting longer.

**The next meeting of the Sadler Basin Committee** will begin at 7:00pm on Monday, Nov. 3 at SSC.

**Contact information** - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome.

You can contact me at [timmo@sbcglobal.net](mailto:timmo@sbcglobal.net) or call 419-656-5881.

**Several boats enjoy the stiff fall breeze on a Wednesday evening race.**

**The sun sets on another great sailing season at SSC.**
